

## SPECIFICATION SHEET

### Full Body Cross Link Harness with Padding & Rear D-Ring Extension Strap

#### PROUDCT CODE:

SBE9PRO

#### DESCRIPTION:

Our full body cross-over harness with added features for comfort and convenience. The SBE9PRO features sternal and dorsal D-ring attachment points for fall arrest, coupled with a dorsal D-ring extension strap for easy attachment. The SBE9PRO incorporates a cross-over where the lower body and shoulder straps intersect for easy donning and doffing. Other features include webbing buckles on the chest and legs and high strength stitch patterns. X-Factor shoulder padding provides superior comfort for the user.

#### SIZING:

Range of sizes to fit from Small up to 5XL
